RHYTHM AND ECHOES

"Rhythm and Echoes" is an open-mic stage where words come alive. It's a space for poetry, stories, music, and more—it's all about giving voice to your thoughts and letting language echo through the crowd.

Amity Institute of English Studies and Research is organizing an open mic in which participants are encouraged to speak in any language. It could be English, French, Hindi, Bengali, or any regional language. An open mic event is meant as a delightful way to express yourself, either through stand-up comedy, poetry, or many more.
